Whichever way one looks at the long-standing Asian Golf Awards, it must be acknowledged that it is a one-of-a-kind recognition event that is unmatched at all levels – it is prestigious, enduring and it is the absolute best measure of stature and success in the golf industry in Asia Pacific! In its long and continuing history stretching over eighteen years, the Asian Golf Awards ranks amongst one of the finest recognition events in the world of golf. It is an event that lives up to how President Donald Trump describes leadership – the American leader is on record as saying: “You have to think anyway, so why not think big?” And this is the ethos that drives the Asian Golf Awards. Each year, the award ceremony sets new goals and 2017 was no different. Awards were presented on the final day of the 2017 Asia Pacific Golf Summit which was staged at the Sheraton Hotel in Da Nang, Vietnam. The awards went to the best amongst the best in 51 categories which makes the Asian Golf Awards the biggest recognition event of its kind in the world for the golf industry. The Asian Golf Awards is a yardstick of quality and it is a leader when it comes to recognising the quest for excellence and innovation. As such, the first edition of ASIAN GOLF in 2018 is being dedicated to all the men and women and golf clubs that have brought distinction and glory to the Asian golf club industry. It is a celebration of the sights and sounds of success!
